

The Amount of CO₂e/kg Produced per Day per Anaesthetist vs. a UK Citizen

Dr C Swarbrick, Dr P Valentine, Royal Devon and Exeter NHS Foundation Trust 2019

Credit to Dr Tom Pierce RCoA Environmental Advisor for the anaesthetic data.
 Credit to the WWF Carbon Footprint Calculator for the UK citizen data: <https://footprint.wwf.org.uk/#/>

The 'Very Green UK Citizen' is vegan, only uses public transport, lives in an eco-friendly flat, with no children and no pets and does not go on holiday overseas.
